

BOOKS SAVE LIVES

Name _____

An Ellen Oh Reading Challenge

Ellen Oh believes that "books are a lifeline for kids, especially LGBTQ kids whose very existence is being threatened right now." Books save lives, and she wants to make sure that stories from all perspectives are told and shared. As a parent of a transgender child, Ellen knows that books really can save lives, and that, in the words of her child, "we deserve our happy ever afters." Check out this list of books featuring LGBTQ+ characters from Ellen. Mark them off as you read!
