Florida Standards Alignment - Grade 1

Florida's B.E.S.T. Standards: English Language Arts

FLORIDA'S B.E.S.T. STANDARDS: ENGLISH LANGUAGE ARTS

ELA Expectations

Benchmark	Description	Beanstack Alignment
ELA.K12.EE.1.1	Cite evidence to explain and justify reasoning.	Media specialists/teachers can: ● customize challenge activities to assess students' abilities to include textual evidence in their oral communication, with guidance and support. ● track student comprehension in text box activities after the student orally communicates textual evidence. ● assign Beanstack's curated ebook challenge collections and support students in citing evidence to explain and justify reasoning through oral communication.
ELA.K12.EE.2.1	Read and comprehend grade-level complex texts proficiently.	Media specialists/teachers can: ● track student reading and assess comprehension after the student orally communicates information, using reading validation challenges. ● read a text aloud to a whole class or small group, then instruct students to complete corresponding challenge activities. This ensures all students have the opportunity to access grade-level texts and learn grade-level vocabulary. ● encourage students to complete free choice reading challenges and log their reading in Beanstack. ● embed links to differentiated texts and increase the accessibility of texts in challenge activities.

		● customize a reading list challenge by assigning a specific book or books, based on students' reading levels. ● provide integrated reading content and link to library materials for students to self-select and read independently. ● track students' reading logs with various reports and insights that assess reading habits, which correlate to grade-level reading proficiency and comprehension. ● create compelling reading challenges, badges, and rewards to motivate students to read independently for a sustained period of time. ● run reading competitions and encourage students to build reading streaks by logging daily reading sessions.
ELA.K12.EE.3.1	Make inferences to support comprehension.	Media specialists/teachers can: ● customize challenge activities to assess students' abilities to make inferences and predictions using 'why' questions and text features like the title or pictures. ● track students' oral responses in text box activities as they make inferences and predictions using 'why' questions and text features to support comprehension. ● assign Beanstack's curated ebook challenge collections and support students in making inferences and predictions using 'why' questions and text features like the title or pictures.
ELA.K12.EE.4.1	Use appropriate collaborative techniques and active listening	Media specialists/teachers can: ● modify and customize challenge activities to create small group or

	skills when engaging in discussions in a variety of situations.	whole group activities that focus on justifying reasoning when sharing ideas, in regard to a specified text. ● assign Beanstack's curated ebook challenge collections and support students in justifying their reasoning when sharing ideas about the texts in the collection.
ELA.K12.EE.5.1	Use the accepted rules governing a specific format to create quality work.	Media specialists/teachers can: ● link checklists, examples, and rubrics in challenge activities, allowing students to take ownership of their work. ● assign Beanstack's curated ebook challenge collections and support students in using linked checklists, examples, and rubrics to create quality work in a specified format.
ELA.K12.EE.6.1	Use appropriate voice and tone when speaking or writing.	Media specialists/teachers can: ● link resources and tailor questions in challenge activities that assist students in learning the difference between formal and informal language. ● assign Beanstack's curated ebook challenge collections and support students in using formal or informal language when talking about the collection of texts.

Foundational Skills
Learning and Applying Foundational Reading Skills

Print Concepts

Benchmark	Description	Beanstack Alignment
