An Erin Entrada Kelly Reading Challenge

Erin Entrada Kelly challenges us to read books about characters from outside of the United States. Erin loves when she reads a book and finds connections with a character whose life may look very different from her own. She wants to share that experience with us and encourages us to read books about characters who live in another country or are from a country outside of the United States. Enjoy them all, especially one of Erin's favorites, *Hurricane Child*, and mark them off as you read!
