Activity #1: Reader Reflection

Let’s reflect on your reading last year. Who are you as a reader? How often do you read? What is your favorite genre to read?

Activity #2: Reading Machine

Let’s define what becoming a “reading machine” means for you. Would you describe yourself or someone you know as a “reading machine”? Why or why not?

Activity #3: Goal Setting

Let’s learn how to set your own reading goal. What is one reading behavior you want to improve and how will you do it? Make sure your goal is achievable, specific, and time-bound.

Activity #4: Tracking Progress

Tracking your progress means checking in to see if you are improving or getting nearer to reaching your goal. How will you use Beanstack to track your progress towards your goal?

Activity #5: Identifying Support

Everyone needs support to succeed. What obstacles might come up when trying to reach your goal? Who is one person you can count on to support you in overcoming that obstacle?

Activity #6: Celebrate

It is so important to celebrate when we make progress and when we achieve our goals. How will you reward yourself when you meet your goal?
