

A vibrant, stylized illustration for a reading challenge. The background is a light blue sky with soft, rounded clouds. In the center, a yellow sign with a red roof and a small brown bird perched on its peak stands on a wooden post. The sign features the text '1000 BOOKS READING CHALLENGE' in bold black letters, with the 'beanstack' logo below it. To the left, a large open book with a purple cover is shown. To the right, a brown bird sits on top of an open book with a red cover. A green bush with yellow leaves is in the foreground on the right, with a small bee flying nearby. In the upper left, another bee flies over a city skyline. Dashed white lines indicate the flight paths of the bees.
